INSTALLATION OF IRRIGATION WELLS

Applicants should follow the following procedure:

1. Obtain a copy of the plot plan for the property where the well is to be installed at the Engineering Department-City Hall, 1st Floor
 - a. Include on the plot plan the location of the water service and sewer service
 - b. Include the location of any subsurface sewage systems, underground utilities, storage tanks and any other subsurface structures
 - c. Indicate the location of the proposed well
2. Forward the completed application and required information to the Health and Human Services Department at 1294 Centre Street, Newton Centre, 02459 (across from the First Baptist Church at the corner of Beacon and Centre Streets)
3. Pay a fee of \$ 50.00 in cash or check made payable to the City of Newton
4. The application will be reviewed and processed as required
5. A permit will then be issued to the owner or well driller specified on the application
6. Completing items 1 through 3 in the order listed will expedite your application and make repeated visits to the Engineering Department and Health and Human Services Department unnecessary.

A copy of the well regulations can be obtained and any questions you may have can be answered by calling the Health and Human Services Department at (617) 796-1420.

Please note-If your well driller is filing the application for you please make them aware of this procedure

The Health and Human Services Department will not provide the completed plot plan for you

Any incomplete applications will be returned to the applicant
